

New Resident Welcome Packet is not only for New Residents!!!

New Resident Welcome Packet -- We are pleased to announce that the [New Resident Welcome Packet](#) has been revamped and is posted to our borough website. The Welcome Packet is filled with useful information to answer many questions a newcomer may have. It offers a glimpse of the activities and services the borough provides, as well as some important codes/ordinances to ensure our community is safe, visually appealing, attracts new residents and businesses, and increases our property values. As a new resident, we hope you find the New Resident Welcome Packet useful. **We believe that the packet is not only beneficial to new residents but to ALL residents**, so please spend a few minutes to review the New Resident Welcome Packet. If you should have any questions, comments, or suggested additions to it, please don't hesitate to contact the Borough Office.
