

Council’s Reorganization Continues...

In the initial weeks following the Council's reorganization, numerous documents and communications require updating. We thought you would be interested in a few of them:

- [New Mayor and Council members](#): The Public Officials website page now also includes the names, pictures, and email addresses of the newly appointed Mayor and Council members. How to contact our state and federal Senators and Representatives is also included.
- [Contact Us Feature](#): You may conveniently email the Mayor and Council members through the 'Contact Us' feature on the website. Additionally, this tool allows you to reach the Borough Office, Recreation Board, Historical Committee, and Website Administrator.
- [Council Committee and Board Assignments](#): Committee and boards have been consolidated and assigned/reassigned to each Council Member. The website includes this update and lists each Council Member as Chair, Liaison, or member.
- [New Resident Welcome Packet](#): Council committee and board assignments have been updated, plus a refreshed Welcome section describing communication tools provided to residents to stay informed and connected. **We believe that the packet is not only beneficial to new residents but to ALL residents**, so please take a look through it.

What are all these Committees? We are currently revising the committee descriptions to clearly define each committee’s purpose, membership, and responsibilities. Stay tuned....

Brookhaven Borough is looking for candidates to **fill a vacant Council seat** for an unexpired term ending on Monday, January 3, 2028. Applicants must be registered voters who have lived continuously in the borough for at least one year prior to being appointed. - **Please discard your Household Hazardous Waste (HHW) the safe way!** Delaware County offers collection events during the year for you to dispose of your HHW. Click [here](#) for dates of events and registration information.

Brookhaven's Own, Luci Damico Scores 1000 Points for Sun Valley Basketball

On January 22, 2026, at Kennett High School, Brookhaven's Luci Damico joined the Sun Valley Basketball 1000 Point Club as its 19th member. Sun Valley presented Luci this commemorative ball on Senior Night, January 29, 2026.

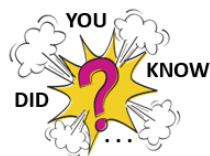

I am Jake McGovern. I am a proud lifetime resident of Brookhaven, 2009 Sun Valley High School graduate, and "Voice of Vanguard's Basketball" dating back to 2007. In my tenure, I have had the honor to announce five 1000 Point Club members. This one was extra special to be able to celebrate a fellow Brookhaven resident and Coebourn grad. Luci became the 4th Brookhaven resident to accomplish this feat joining with 3 other players from Brookhaven, **Paul Bartkow (1964)**, **Mike Carrafa (1987)**, **Jimbo McClintock (1990)**. Luci started her basketball career at the Brookhaven Municipal Center with the Brookhaven Basketball League. She has played High School Varsity all 4 years. Luci will be continuing her basketball career at Salisbury University upon graduation.

A Big congratulations to #22 Luci Damico!!!

Who will follow in her footsteps to be another Brookhaven resident to score 1000 points?!

...that there is **one open position for Recreation Board Member**. If you are interested, please send an email to the [Recreation Board](mailto:recboard.cmt@brookhavenboro.com) at recboard.cmt@brookhavenboro.com

...that Punxsutawney Phil saw his shadow on Groundhog Day, predicting six more weeks of winter! Stay Warm!

...that Brookhaven used to have a radio station?

The radio station started with one tower in 1946, was located on Edgmont Avenue next to Cullis Memorials at Radio Park Lane, used call letters (WPWA, WRDF, WQIQ, WCZN, WEEZ), and left Brookhaven in the mid-1970s.

In early 1950, Radio station WPWA whose broadcasting and transmitting headquarters were located in Brookhaven was granted a permit for the construction of 2 new towers. Station owners explained how the new equipment would allow them to broadcast after the sun went down without interfering with other stations broadcast. They wanted to focus on broadcast sports events and other local events, many of which took place at night, and the installation would allow them to broadcast from 6AM until midnight with the ultimate goal of broadcasting 24 hours a possibility.
