

The Brookhaven Historical Committee is preserving the memory of our Hometown Heroes

The goal of the [Historical Committee](#) is simple: To help the Borough preserve and celebrate its history; collect, study, and disseminate the history of the borough.

One of our programs is preserving the stories of our [Hometown Heroes](#) so when the banners are worn and gone, their memory will go on. We have completed profiles with pictures for our 4 men Killed in Action and 3 other heroes (so far) and have spotlighted them on our borough website. This is where you come in. If you would like to preserve the memory of your Hometown Hero relative who was born or lived in Brookhaven, please provide additional information so we can add them to the borough website. We also plan to honor deceased veterans who lived in Brookhaven for 25+ years by displaying their profile/picture in the Councilman Dan McCray’s History Showcase in the municipal center’s lobby.
