

Where has the Brookhaven Newsletter gone? It was getting too costly to produce and therefore, we stopped producing and mailing it out in October 2019. We have heard from many residents that they miss it, that it was a great tool to keep them informed of what is happening in the borough. **We heard you!** Our new Notification System, [Brookhaven Alerts](#), will not only be used for real-time emergencies, borough events, and community news, but will notify you when the Brookhaven Newsletter is posted to the [borough website](#). This is our first newsletter.....

Note: The [website calendar](#) is continually being updated and is the source for all Brookhaven events and activities.
