Public Safety

A message from Brookhaven Fire Company

The Brookhaven Fire Company, Station #52, is 100% Volunteer Firefighters with an active membership of approximately 60 members. The EMS (Emergency Medical Services) is made up of 15 Volunteer EMTs and 10 part time EMTs. The fire company runs 1 Engine, 1 Engine/Rescue, 1 Quint/Ladder, 1 Rescue, 1 Utility Pickup, and 3 BLS (Basic Life Support) Ambulances to provide Fire/Emergency Medical Services to Brookhaven Borough and surrounding communities. We manage an extensive fire prevention program that includes visiting schools and day care centers, sponsoring a Fire Safety Carnival, and educating the public regarding fire prevention and fire safety in the home. We provide fire safety/fire prevention materials and information at the Borough's annual Family Day Event.

We run two Annual Fund Drives each year. The Fire Fund Drive starts the first week of January; the EMS Fund Drive starts the first week of May. Please look for these mailings and support these very important annual fundraising drives.

We are always looking for new members. We pay and provide Fire and EMS training for anyone wishing to join. Any person 14 years or older, interested in joining is asked to come to the firehouse any Tuesday night at 6:00PM or Saturday morning at 9:00am. You may also apply on-line through our website.

A message from Brookhaven Town Watch

The Brookhaven Town Watch organization was started by a handful of residents back in the summer of 1995; we now have approx. 25 members. Our job as Town Watch members, is to be an extra set of eyes and ears for our police department, to observe and report. When we see a reportable incident, we notify police and stay out of their way and only assist them if requested to do so.

We report open doors at both resident and business locations, perform security checks of our businesses, and work security and traffic control at borough functions.

We are always looking for new members, so if interested in seeing what we are about firsthand, contact the Borough Office at 610-874-2557 x110.

For more information, see [Town Watch](#) on the Brookhaven Borough Website.

To be the most professional police department possible, training and continued education is positively reinforced and pursued. We employ both conventional and non-conventional methods to deter criminal activity, as well as, bring those that commit crimes in our borough to justice.

Accident reports can be obtained by contacting the secretary during business hours, 8 AM to 4 PM, Monday through Friday, 610-876-6142 x111.

Municipal Services¹

Branch Chipping

- Residents can schedule use of the chipper for a maximum of 15 minutes to remove branches from their home.
- Branches should be at least 3 ft. long with the cut ends facing the same direction and put curbside the night before the scheduled date.
- See the Brookhaven Borough Newsletter and Calendar for chipper schedule. Please call for an appointment at 610-874-2557 x3.

Leaf Pickup

- See the Leaf Collection Schedule in the Brookhaven Borough Newsletter and Calendar for dates when leaves will be picked up on your street.
- Leaves should be put at your curb, not in the street.

Permits

- Call the Borough Office at 610-874-2557 x133 to clarify if a permit is required for any work completed at your property.
- Residents over 62 years of age may be exempt for some or all permit fees up to \$7500.
- See [Fee Schedule](#) on the Brookhaven Borough website under Documents - Ordinances.

Snow Removal/Plowing

- Brookhaven utilizes a snow management plan to safely clear all borough roads quickly and efficiently. The plan includes de-icing and pre-salting prior to the predicted snow, salting and plowing after 3 inches of snowfall, and continuing this, as necessary. Snow will be pushed back as far to the curb line as possible (curb to curb after snowfall has finished), therefore keep all vehicles in your private driveways, if possible. Also, do not shovel apron until the plow has completely opened the road. If shoveled too early, you may need to do it again.
- Within 24 hours after the accumulation of snow or ice has ended, the homeowner (or tenant) must remove the snow/ice from the entire width of their pavement or (sidewalk) to create a pathway for pedestrian traffic. Please do not shovel the snow into the street.

Note: This information does not apply to the residents of Hilltop, Trimble Run, Stone Hill, or Traditions at Ridley Creek because Brookhaven is not responsible for their snow removal.

Tax Rebates

- Senior citizens with a household income less than \$25,000, may be eligible for a [Trash Rebate](#). More information and forms are available at the Borough Office.
- Residents 65 or older, widows/widowers 50 or older, and those with disabilities 18 or older, with a household income less than \$35,000 (\$15,000 for renters) may be eligible for the PA Property Tax/Rent Rebate. More information and forms are available at our State Representative's office located in the Borough Municipal Center.
